

COMMUNITY SPONSORSHIP

HEBER VALLEY'S POSITIVE COMMUNITY VOICE

OUR MANIFESTO

We believe that bigger isn't always better and that there is something inherently good in a day's hard work. We believe that friends can be found in unlikely places and that nothing matters more than family and community. We believe that every day is full of potential and that miracles are mixed in with the everyday scene.

We believe in seeking balance between hard work and play: a lazy Saturday making turns on trails or casting a fly at a rising trout in the middle of a hatch; checking in on a friend and neighbor to see how they're doing or lending a hand for a city cleanup project. We believe failure is success as long as we learn from it. We believe in doing our best and taking any who will join us along for the ride.

We believe in grit, faith and in pushing past our comfort zone in order to try something that scares us every day. We believe that joy is found in simplicity. We believe that beauty surrounds us. We love where we live, we live where we love. We believe in the *joie de vivre!* We believe in celebrating history in the making.

We hope you will come along with us on our journey to share Heber Valley's Positive Community Voice. We need you!
